THE Brush FACTORY

HERMAN ALBRECHT STARTED WA BRUSHWARE IN 1897 WITH ONE EMPLOYEE. IN 1901 WHEN THE FACTORY WAS OFFICIALLY OPENED BY THE PREMIER, HE HAD 18 EMPLOYEES. HIS LARGE RANGE OF AWARD-WINNING BRUSHWARE INCLUDED BRUSHES MADE FROM THE SEAWEED GATHERED AT COTTESLOE BEACH. THE BUILDING IS A GOOD EXAMPLE OF A TURN OF THE CENTURY FACTORY. SWAN BRUSHWARE MOVED FROM DUKE STREET IN 1970.
